From the Commodore

July 2019

Hello Everyone,

It's hard to believe that it's already the fourth of July and nearly all of the boats have been launched. I feel that the yard, docks and club house are in good shape but as always there is work to be done all around our club. Members that need work hours should be contacting the dock master, yard master, and our house chairman for projects that we need to accomplish. Work hours will be strictly enforced this year so please don't wait until November to fulfill your obligation to your club.

I would appreciate it if more members used common sense and respect other members when parking their vehicles in the yard. If you have a large vehicle, have friends coming down, or you are going to be on the water for a long period of time to kindly use the back lot and not the black top. Also on the note of common sense and respect for others, when using the fuel dock it is imperative not to tie up in the middle of the fuel dock prohibiting other members from tying up. It's very irritating and we hear about it constantly. One other note on common sense, fireworks are illegal and should never be lit on our docks!

Please be advised that no one is allowed to access the club after hours for any reason. By doing so sets off our alarm system and the alarm company calls your commodore and others in the middle of the night as well as the Bridgeport Police. If the clubhouse is locked do not enter!

We are part of the boating community in this area and I ask that you be polite and respect members from other clubs as well as the boating public in general. You never know when we will need a helping hand from others.

Upcoming events; July 14<sup>th</sup> Black sea bass and Porgy contest, Let's have a safe and happy boating season. Next general body meeting 7/23/19

Your Commodore, Scott Gorton

As always, please keep our friends that have been ill or fallen on tough times in your thoughts and prayers.*

*As we move through spring & into summer, we will be celebrating the academic achievements of our MYC children. If you know of any kids graduating this year or receiving some sort of academic award, (college, high school, middle, etc...) please let me know so we can wish them congratulations. I'm excited to say that again we have some impressive youngsters to recognize in this newsletter. These 4 are especially near & dear to my heart as I have had the privilege to watch them grow up and have been a part of their lives either as an instructor, as a family friend, as a mom or a combination thereof.*

**FROM THE VICE COMMODORE**

The 4th of July is a great holiday for FIREWORKS to be enjoyed by all the members and their families.

Just NOT ON THE DOCKS or club property! This is a major safety concern. A fire would be devastating to not only other members property but also to the many families that sleep on their boats.

PLEASE LEAVE YOUR FIREWORKS AT HOME!

ABSOLUTELY NO FIREWORKS ARE ALLOWED AT THE CLUB!
