Hi Everyone,

I want to thank everyone that helped out for the opening day ceremonies and the members and their families that attended. We were fortunate to have just fantastic weather and nearly 300 people present!!

I would like to thank Donnett, Jean, Pat, Laney and Tammy from the Ladies Auxiliary for making the salads and helping with serving. Thanks Ladies!

Also a shout out to Bob Brezosky and his band the "PK-6ERS" for performing for us on opening day. You guys were awesome! Thanks Bob.

I'm fortunate as Commodore to have such a dedicated group of officers and board members behind me as well as a few very dedicated members that are always there to help. Thank You!

Our galley is now open 6 days a week for breakfast and lunch. Billy is doing a great job and has been helping the club out when ever we need a hand. Please come down and support Billy and your club!

## *Ladies Auxiliary*

The Children's Easter Party was great. 33 children attended. They loved the Critter lady with all her animals. The Easter Bunny was there and they had a fun Easter egg hunt. Jon Hinckley was there to take pictures of the kids with the Easter Bunny. Thanks Jon. The kids also made picture frames to put their photo in. Thanks to all the ladies that helped with the event and also Paul McMillian for his donation to the party.

Opening day was picture perfect with beautiful weather and a large turnout. I would like to thank Phyllis for all the beautiful flowers on the deck and for the opening day flowers. (P.S.) If you see that they need water please water the flowers. I would like to thank Pat, Jean, Laney, Tammy, Lisa and Nichole for all their hard work making all the salads for opening day. they were delicious. A special thanks goes out to Jordan (Tammy's daughter) who helped with the salads and all the clean up. She was fantastic, a true Ladies Auxiliary member in the making. Thanks Jordan.

## Good & Welfare

Spring is here and there has been a lot of activity in the yard; covers coming off, boat bottoms being painted & some boats are in the water. It's a great time to be a boater.

As we move through spring, we will be celebrating the academic achievements of our MYC children. If you know of any kids graduating this year or receiving some sort of academic award, (college, high school, middle, etc...) please let me know so we can wish them congratulations. I'm excited to say that we have some impressive ones this newsletter.

**Congratulations to Reagan Walker.** Reagan graduated from Sacred Heart University with a Masters in Education.

**Congratulations to Ryan Walker** who was elected to The Honor Society of Phi Kappa Phi; the nation's oldest and most selective honor society for all academic disciplines.

**Congratulations to Carly Shomsky.** Carly graduated Summa Cum Laude from Sacred Heart University with a degree in Allied Health Science. She will be pursuing her Masters in Occupational Therapy in the fall.

**Congratulations to Matt Borges.** Matt graduated from the University of Vermont and will be attending University of Massachusetts Law School come fall.

And finally, congratulations to the parents of these amazing young adults!! How proud you must be on your children's amazing accomplishments.

We extend our sympathy to the Maguire family on the passing of Phil's mother. We also extend our sympathy to Gary Dayton on the passing of his mother. As always, please keep our friends that have been ill or fallen on tough times in your thoughts and prayers.

If you have any news for Good & Welfare, please contact me at 203-394-7122 or [kah1370@aol.com](mailto:kah1370@aol.com).
