From the COMMODORE

August 2017

Hi Everyone,

It's hard to believe it is already August but to date a pretty decent summer overall.

I feel that our club is doing well but we do need more participation from our members. There is always plenty of work to be accomplished around our clubhouse, yard, and docks and it would be nice to see some new faces in the group. If your looking for work hours please contact our house chairman Cassidy, or dock master Bruce Kraemer, or of course our yard master Bobby Cole for projects that need to be addressed. Please remember that the cost of membership is a direct reflection of how much can be accomplished in house and by not hiring outside contractors. Please get your work hours in early and support your club.

We had our general body meeting Tuesday night with approximately 40 members in attendance out of the 260 or so on our membership list. Please make an attempt to attend these meetings to stay updated on the business of the club. I receive numerous phone calls from members asking questions on issues that can and should be addressed at our general body meetings. Come support your club!

In closing, I would like thank the handful of members that are always willing to help out and support their club on a regular basis. I don't like to name names, but without your continued support our club would not be as successful as it is. Many Thanks!

Next General Body meeting will be held August, 22nd at 7PM

Your Commodore,

Scott Gorton
