Hi Everyone,

Happy holiday season to everyone!

The yard master and his crew did a great job once again with placement of the boats in the yard and I thank the membership for their cooperation. I ask again that the members that have trailers in the yard to please keep them in working and safe condition so things can continue to run smoothly.

Our Veterans Day celebration was a great event attended by over 100 members and non-members alike and I believe that it will continue to grow in the coming years. As you know I do not like to mention individuals by name at the risk of forgetting someone, but many thanks to our very own "Billy the Cook" for preparing the food and Jeff Zimnoch for donating food for this event. Many thanks as well to the members that helped set up for Veterans Day and the members that helped clean up after the ceremonies were over. Without help from our members these events would be impossible to conduct.

Please come down and support your club for the upcoming Christmas brunch on December 10th and also the adult Christmas gathering on December 23rd. Call or better still, stop at the club for details. We are also planning a wine tasting event and maybe a scotch night very soon. I'll keep you posted.

In closing please make an effort to be involved and continue to support your club during the winter months.

Next General Body Meeting will be held on December 26th at 7pm

Your Commodore,

Scott Gorton

Good & Welfare

Thanksgiving is behind us and the Holiday Season has begun; a time full of celebration, expectancy and joy for many. Our own halls will be ringing with the laughter and joy of children when Santa pays them a visit for the annual Children's Christmas Part this coming weekend.

We hold in our hearts Kevin Shevlin & his family on the passing of his mother in law, Barbara McGill.

Please keep our friends that have been ill or fallen on tough times in your thoughts and prayers.

If you have any news for Good & Welfare, please contact me at 203-394-7122 or kah1370@aol.com.

From the Yard Master

It's that time of year and we have almost completed the yearly haul. Just some reminders as we wrap up the yard. Please be sure to have your name clearly visible on either the shrink wrap or trailer. No extension cords should be left on the ground and no boats should be plugged into outlets if the owner is not on the property. The area under and around your boat should be free and clear of debris. We will be disposing of all wood frames stored next to the yard storage container after the holidays. If you have anything in this area that you would like please remove it from the property. Feel free to contact the Yard Committee with any questions and have a wonderful holiday season.
