From the Commodore

July 2017

Hello Everyone,

It's hard to believe that it's already the fourth of July and nearly all of the boats have been launched. I feel that the yard, docks and club house are in good shape but as always there is work to be done all around our club. Members that need work hours should be contacting the dock master, yard master, and our house chairman for projects that we need to accomplish. Work hours will be strictly enforced this year so please don't wait until November to fulfill your obligation to your club.

I would appreciate it if more members used common sense and respect other members when parking their vehicles in the yard. If you have a large vehicle, have friends coming down, or you are going to be on the water for a long period of time to kindly use the back lot and not the black top. The extra hundred feet or so to walk won't hurt any of us. Also on the note of common sense and respect for others, when using the fuel dock it is imperative not to tie up in the middle of the fuel dock prohibiting other members from tying up. It's very irritating and we hear about it constantly.

Also a reminder to our members that we are part of the boating community in this area and I ask that you be polite and respect members from other clubs as well as the boating public in general. You never know when we will need a helping hand from others.

Let's have a safe and happy boating season. Next general body meeting 7/25/17

Your Commodore,

Scott Gorton

## Good & Welfare

*Boating season is finally here and our first "boating holiday" is coming up quickly – July 4th. Many of our members enjoyed the first fireworks of the season this past weekend as Bridgeport launched their display. They were beautiful! I hope you all enjoy your time on the water.*

*We still have quite a few members that are in need of our thoughts & prayers. To those folks, we are thinking of you & wish you all well.*

*If you have any news for Good & Welfare, please contact me at 203-394-7122 or [kah1370@aol.com](mailto:kah1370@aol.com).*

## Secretary
