From the COMMODORE

June 2018

Hi Everyone,

I want to thank everyone that helped out for the opening day ceremonies and the members and their families that attended. We were fortunate that the weather was cooperative and we enjoyed a tremendous turnout. I believe a good time was had by all that attended. I would however ask the membership for suggestions on how to serve food in a better manner to avoid the long line that seems to plague us every year. We will be discussing this at our next general body meeting.

I'm fortunate to have such a dedicated group of officers and board members behind me as well as some very dedicated members that are always there to help.

We got a good start on our new roof over our entrance and outside sitting area but we have a ways to go. I hope we can get our crew back together to finally finish this project and much more. I will do my best to let everyone know when the next work party will take place. Get your work hours in and help your club out!

Our galley is now open 7 days a week for breakfast and lunch. Billy is doing a great job and has been helping the club out when ever we need a hand. Please come down and support Billy and your club!

We having coming up, June 9th Dock party, June 15th Friday night dinner serving baby back ribs, June 23rd starting at 5:30 Dinner and Karaoke, June 24th MYC Fluke tournament.

The next General Body meeting will be held at 7pm on June 26th.

Your Commodore,

Scott Gorton

Good & Welfare

I see many boats in the fleet are still getting worked on & quite a few were in the water. It was nice to stop by and visit on the docks opening day. I don't know about you but I sure missed that this past winter. Opening Day was a wonderful success. The sun even made a brief appearance adding to the day.

As warmer weather approaches, so does graduation time from college, high school, middle school, etc... Please congratulate Rick Giordano, son of Fred and Shannon Giordano. Rick graduated from Roger Williams University with a degree in Finance and a minor in business. Please also congratulate Reagan Lee Walker, daughter of Scott & Laura Walker. Reagan graduated from Marist College with a BS in Liberal Arts History Education Major. Miamogue wishes both of these young adults much success in the years to come. Congratulations to my daughter, Maggie, for achieving the TCSA Golden Eagle Award. The TCSA is a volunteer award encouraging students to engage in service & was started to honor students who, by example, inspire others to engage in volunteer service. The Golden Eagle Award is for students who complete a minimum of 200 volunteer hours for the year.

If you know of a student from our Miamogue family graduating or has earned an achievement & would like them to be recognized, please reach out to me. I'd love to give them the spotlight.

Please continue keep our friends that have been ill or fallen on tough times in your thoughts and prayers.

If you have any news for Good & Welfare, please contact me at 203-394-7122 or kah1370@aol.com.
