From the COMMODORE

November, 2016

Hi Everyone,

Well here we are in November and preparing for the winter season. We had a disappointing turnout for our bubbler system repair and more needs to be done before the winter really sets in. We will be turning off the water and our pump out on the docks in the next week or so and I ask that everyone be prepared for this event. As always we will do our best to keep the water on in our yard for a longer period of time, but that will be weather permitting. Once again please be prepared.

Our locker renovation is scheduled for November 12th and 13th and I ask that we have a strong turnout for this much needed project. I ask that all members that have a locker to remove their locks prior to that weekend and remove any valuables. The lockers do not need to be completely empty but it would be helpful if they are. If we have a good turn out for this project we should be able to complete the renovation over the weekend and turn the lockers back over to the locker holders. This is a great opportunity to get your work hours completed and save your club from any added expenses. Lunch will be served for work party participants.

We had a terrific time hosting Port 5 Naval War Veterans and the U.S. Marine Corp. Band last month and I hope we will have the honor of hosting them again. We have Veterans Day coming up on the 11th of this month and expect to have a great crowd for this event to honor our veterans. We also have pub night on November 19th with live music and a cash raw bar featuring lobster rolls, clams, oysters and chowder. Please feel free to bring your own creation as well! Please come down and support your club for these two events for comradery and to honor our veterans who have given so much for this great country.

Your Commodore,

Scott Gorton

Good & Welfare

The colder weather is closing in & the leaves are showing some beautiful color. I've seen quite a few boats out on the Sound and up the river taking in the sights in spite of the colder weather. It's been a nice treat. For those of you still out there, enjoy your time!

Please keep our friends that have been ill or fallen on tough times in your thoughts and prayers.

If you have any news for Good & Welfare, please contact me at 203-394-7122 or kah1370@aol.com.

Karin Hope, Good & Welfare Chairman
