From the Commodore

May, 2019

Hello Everyone,

Boating season is upon on us and I hope we all have a terrific and memorable season. Many boats have been launched already with many more to go. Please take the time to make copies of your paperwork before bringing it to the club to do your launch form due to the fact that there isn't always someone at MYC that has access to a copier. All boat owners are encouraged to get their vessels ship shape as soon as possible so as not to impede other vessels that may be blocked in. Communication is critical between the member, yard and dock committee during this simple process.

We have plenty of projects that need to be completed this year including dock work, painting, yard maintenance, house projects etc. The names of committee members are posted in the bar room and I encourage members to contact them directly for information regarding upcoming work parties. These are great projects to get your work hours in early and for you the member to provide a valuable service to your club. Please help out!

We will be having a Kentucky Derby/ Pub Night this Saturday the 4th along with the Tony Ferrigno band. Our kitchen will be open for this event, but please feel free to bring your own creation! We also have a Mother's Day brunch on May 12th starting at 10am and a Flounder tournament on May 19th. Let's have a great turnout for these events!

Our opening day ceremonies are on May 27 at 1pm and I hope for great weather and a great turnout. The next General Body meeting will be held at 7pm on May 28th.

Your Commodore,

Scott Gorton

Secretary's Message

I must go down to the seas again, to the lonely sea and sky,
And all I ask is a tall ship and stars to steer her by:
And the wheel's kick and the winds song and the white sails shaking,
And the gray mist on the seas face, and the grey dawn breaking.

John Maesfield- Sea Fever

Ladies Auxiliary

Happy Spring to all !!

Our fish fry was fantastic we had about 120 people, I would like to thank the members of the Ladies Auxiliary for all their help. I am so proud of you all ! Thanks to all the people who helped out behind the scenes with setup and cleanup, you did a great job. Thanks to Jon Hinckley and Walt Peterson for shopping for the event and making the cole slaw. And we can't forget the guys in the kitchen who worked all day to bring us this tasty dinner. Great job as always everything was delicious! They are; Fred Giordano, Jim Demaris, John Mikita, Sal Emanuel, Gary Catalano, Frank Rega, Julio Rojas, Mike Vidmosko, Roger Quintiliano, Pete Procyk, Robert M

The kids had a great time at the Easter party, we had 32 kids. The kids loved the Critter Lady with all her animals and doing crafts. A big thanks to our Easter bunny Jordan and also to Jon Hinckley for doing the photo booth to take great photos of all the children and their families. The Ladies Auxiliary did another great job. Thanks Ladies!!

Sincerely,

Donnet M. Peterson
President of the Ladies Auxiliary

Good & Welfare

With spring finally here, there are signs of new life popping up everywhere – leaves on the trees, flowers everywhere and coming soon to a yard near you, boat covers coming off. It's a beautiful time of the year!

As we move through spring, we will be celebrating the academic achievements of our MYC children. If you know of any kids graduating this year, (college, high school, middle, etc...) please let me know so we can wish them congratulations. Congratulations to Aidan Hope. Aidan is the student ambassador at his middle school for the DEEP Student Ambassador Program which promotes boating safety and safety on the water. Aidan's display was featured at his middle school this past month and will be displayed in Hartford later on this month.

We extend our sympathy to Matt Summ on the passing of his father. We also extend our sympathy to the Polk Family on the passing of Frank's mother. As always, please keep our friends that have been ill or fallen on tough times in your thoughts and prayers.

If you have any news for Good & Welfare, please contact me at 203-394-7122 or kah1370@aol.com.

Karin Hope, Good & Welfare Chairman

MYC Opening Day Ceremony Memorial Day, Monday, May 27th

Opening Ceremony at 1300
all members and their families are invited
followed by the Blessing of the Fleet and
Free Annual Members and their Family Picnic

I hope everyone is as ready for the end of Winter as I am. Just some important reminders about the storage of boats at the club. Your boat must be clearly identifiable during storage. Please take the time to check on your boat. If it is on stands it is very important to be sure they are maintaining the stability of the boat. The winds have been very strong and believe it or not the boats will begin to move on the stands and create some separation, check to be sure they are secure. Please do not leave electrical cords laid out across the yard and be sure your area is clear of debris. Use common sense in the yard. If you wouldn't do it at home then don't do it at the club. Also remember that the last boats out MUST be the first boats to launch. If the Yard Committee has to move your boat it will be at the members expense. Be courteous to your fellow members. In closing let's all hope for an early spring and an organized launch. Sincerely, THE YARD COMMITTEE

May

- 4 Pub Night
- 12 Mother's Day Brunch
- 19 Winter Flounder Tournament
- 27 Opening Day

June
