From the COMMODORE

February, 2017

Hi Everyone,

Well here we are in February and although it is a short month it seems painfully long if you're a boat owner. We have a few events planned for the club this month starting with our Super Bowl buffet on the 5th. We also have a dinner scheduled for Friday the 10th by our very own disputed catering serving ravioli and sausage as well as salad and garlic bread for a mere \$10 per plate. We are also putting together an event for Valentine's day on Friday the 17th with Seafood and appetizers. Once again I ask that our members make an effort to support the club during the winter months and meet the 3 new bartenders that we recently hired. It has been very quiet and it would nice to see a few more members stopping in.

Just a reminder that the dues, locker, and electric bills should have been in by the end of January and are now past due. We did convert over to a new system and apparently a few members did not receive a bill in the mail. If you happen to be one of those members that did not receive a bill or have not paid yet, I encourage you to get your payment to the club as soon as possible to avoid a 20% late fee.

We brought in 6 new members in January and have a few more coming in this month. Let's keep this trend going to ensure the stability of the club for years to come. Our next General Body meeting is on February 28th of this month. Please try to attend!

Your Commodore,

Scott Gorton

**Good & Welfare**

*Welcome to February! The groundhog saw his shadow and has proclaimed we have 6 more weeks of winter. Obviously, he is not a boater! Only 117 more days until June 1<sup>st</sup>. Hopefully the warm weather will prove our little furry friend wrong and boating season can begin early. Until then, stay warm friends and maybe come down to one of MYC's scheduled events. They can be found on the club website under calendar.*
