August 2018

Hi Everyone,

It's hard to believe it is already August but to date a pretty decent summer overall. I feel that our club is doing well but we do need more participation from our members. There is always plenty of work to be accomplished around our clubhouse, yard, and docks and it would be nice to see some new faces in the group. If your looking for work hours please contact our house chairman Cassidy, or dock master Bruce Kraemer, or of course our yard master Bobby Cole for projects that need to be addressed. Please remember that the cost of membership is a direct reflection of how much can be accomplished in house and by not hiring outside contractors. Please get your work hours in early and support your club.

Please make an attempt to attend our general body meetings to stay updated on the business of the club. I receive numerous phone calls from members asking questions on issues that can and should be addressed at our general body meetings. Please come support your club!

In closing, I would like thank the handful of members that are always willing to help out and support their club on a regular basis. I don't like to name names, but without your continued support our club would not be as successful as it is. Many Thanks!

Friday night dinner August 17th 6pm Pig Roast dinner- First come First served!

Next General Body meeting will be held August, 28th at 7PM

Good & Welfare

Summer is in full swing and our fleet is taking advantage of it. Enjoy your time on the water whether you fish or are just out there to enjoy.

We extend our deepest sympathy to the family of John Knopf who passed away in early July. We also extend our deepest sympathy to my Dad, David Healing, and to my family on the sudden loss of my Mom, Shirley. It's not often that I find myself on the other side of Good & Welfare. Our family thanks the members of Miamogue for your kindness & support.

Please continue to keep our friends that have been ill or fallen on tough times in your thoughts and prayers.

If you have any news for Good & Welfare, please contact me at 203-394-7122 or kah1370@aol.com.
