From the COMMODORE  
September 2019

Hi Everyone,

Well here we are in September already and boats will start to come out of the water for winter storage. I ask that all members communicate with the Yard Master and his committee to be sure to follow our yard rules. As you know our space for storage is very limited and your cooperation will be greatly appreciated. Lets have a smooth transition from summer to fall and then into winter.

We still have many projects to complete around our club both inside and out including our C dock resurfacing. We have general maintenance that I would like to see completed before winter sets in as well. Please come down and help your club!

I strongly encourage boat owners who have left their vessel on shore for an extended period of time to read the yard rules. At the very least we need insurance documentation for your vessel, just the same as if the vessel is in the water. This is after all, your responsibility, not the clubs. Please abide by the rules!

We have several functions coming up this month including Family day on the 7<sup>th</sup> and the Powder Puff Bluefish contest on 15<sup>th</sup> as well as a Dock Party on the 21<sup>st</sup>. We also have a Captains Class starting on the 28<sup>th</sup> which is limited to 12 people. Contact Captain Graham England at [CaptainGraham@yahoo.com](mailto:CaptainGraham@yahoo.com) for more details. Come on down, meet new friends, and of course have some fun while supporting your club.

Next General Body meeting will be held on September 24<sup>th</sup> at 7pm

Your Commodore,

Scott Gorton

## *Secretary's Message*

If you have made any change to your email, phone number or address please leave a note in my drawer or you can email me at [tkbeggiii@aol.com](mailto:tkbeggiii@aol.com)

## Good & Welfare

Summer is going by so quickly. It's hard to believe that as I begin to write this month's reflection that September is right around the corner. We've been blessed with beautiful boating weather. There have been some amazing catches by the fishing fleet & of course it's great to see so many of us in PJ, doing sail-a-ways to Block & Clinton. There have been a few rafts from our club spotted in our own harbor & in the Gut, too. There has been a flurry of activity and gathering on the deck and on our docks; such a great sense of friendship, family & community. Each day is a gift; that's why it is called "the present". Mother Nature is smiling on all of us & I'm grateful.

Congratulations to Sarah Tyer. Sarah is the granddaughter of Loretta Tyer and the late Robert Tyer. Sarah graduated from Housatonic Community College in May with an Associate Degree in Criminal Justice. She was also a member of the prestigious Phi Theta Kappa Honor Society. Sarah will be entering Central Connecticut State University this fall and will major in Criminology with a minor in Psychology. We wish her the best of luck in her future!

We extend our deepest sympathy to the family of Ray Knapp who passed away at the beginning of August. Ray was a member of MYC for many years. As always, please keep our friends that have been ill or fallen on tough times in your thoughts and prayers. As we move toward the end of August into September we wish our MYC Kids well & hope that they all have a fantastic school year. To our college bound freshman, it's hard to believe that it is time already. I know as one of these parents, I'm not quite sure that I am ready, but you are & that's all that matters. Have fun, study hard & know that we wish you much success. To our college upper-classmen & graduate students, you're almost done!! Best wishes to you all!!

If you have any news for Good & Welfare, please contact me at 203-394-7122 or kah1370@aol.com.

Karin Hope  
Good & Welfare Chairman
